CLEANLINE COSHH E-LEARNING WEBSITE

Free online COSHH awareness training and product safety resource tools from exclusive brand Cleanline

Updated and re-launched 2018

Cleanline COSHH e-learning website:

A dedicated e-learning tool that delivers free COSHH awareness training and product safety resource tools. The website helps operators safeguard their employees by providing regular, auditable training, and used as part of an induction process, new staff-members can be COSHH aware even before they've stepped on site.

Updated in 2018:

- Training videos in line with CLP regulation
- 17 Cleanline products added to product resources
- New admin reporting across multiple sites
- All new product images
- New Cleanline branding
- Up-to-date regional contact details
